

EPC Nylon 6.6 P-Clips

A range of nylon P-Clips available in both black and natural colours that are designed to hold cables, hoses and tubing in place.

These lightweight, yet strong fixings are used across many industry sectors and can accommodate a wide range of cable diameters.

Ordering information - Black

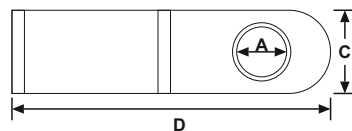

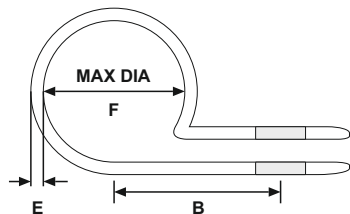

Polypropylene Part Number	Pack Qty (pcs)	Hole Dia (A)	Centres (B)	Width (C)	Length (D)	Thickness (E)	Bundle Dia (F)
EPC03B	100	4.8	8.0	9.6	16.9	1.1	3.1
EPC05B	100	4.8	9.2	9.6	18.5	1.1	5.0
EPC06B	100	4.8	10.4	10.0	20.0	1.1	6.3
EPC08B	100	4.8	11.2	10.0	22.6	1.2	7.9
EPC10B	100	4.8	12.5	12.2	26.6	1.4	9.5

Technical Data

Colour

Black or natural

Material

Nylon 6.6 UL94V-2

Features

Fast and simple to install
Lightweight
Large diameter range
Halogen free

Operating temperature

-40°C up to +85°C
