DuraLabel Supplies

Industrial Strength Vinyl

DuraLabel vinyl is tough tested in our research labs to stand up to extreme temperatures, ultraviolet fading, chemical resistance and abrasion. Vinyl sizes range from ½" to 4" and come in these 17 standard colors.

WHITE	BLACK	CLEAR	BATTLESHIP GRAY	SILVER GRAY
BLUE	GREEN	YELLOW	ORANGE	RED
PURPLE	BROWN	PINK	SKY BLUE	TEAL
GOLD	MEDIUM GRAY			

For specialty colors, call 888.637.3893

Ribbon

DuraLabel thermal transfer ribbons have been exposed to the same rigorous testing as our vinyl supplies and are available in the following colors.

RED	GREEN	YELLOW	ORANGE
DARK BLUE	BLACK	WHITE	

DURALABEL TOUGH TESTED CERTIFIED QUALITY

If labels made with DuraLabel Premium Vinyl fail within five years of the purchase date, we will provide a one-time replacement roll of the same supply. For details on DuraLabel Warranties, visit *DuraLabel.com/warranty*.

Specialty Supplies

DuraLabel carries more than 50 types of specialty supplies for every visual communication challenge including high visibility, security, special adhesives and extreme temperature.

High-Temp
Designed to withstand extreme temperatures from -40º F to 300º F.

Reflective
Available in a variety of colors. Reflective signs and labels are great in low-light environments.

Valve Tags
Plastic valve tags are available in seven different colors and in two sizes.

Magnetic
Label metallic surfaces using this magnetic stock - easy to apply and remove.

Die-Cut Labels for Durability & Compliance

DuraLabel die-cut supply gives you the flexibility to print compliance labels that require more than one color such as arc flash, OSHA/ANSI, RTK and NFPA.

Arc Flash labels
Danger or Warning headers are available in English, Spanish, or French.

Use ANSI Z535 label designs for NEC and NFPA 70E/CSA Z462 compliance

NFPA/RTK labels
Preprinted die-cut labels make it easy to add your hazardous materials information.

NFPA labels comply with NFPA 704

DANGER, WARNING, CAUTION and NOTICE heading labels
Preprinted header labels create an eye-catching canvas for your custom safety message.

Comply with ANSI Z535 and OSHA requirements
