

## EPCR Stainless Steel Rubber Lined P-Clips

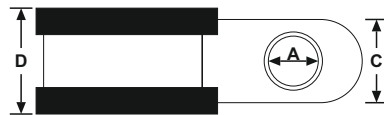

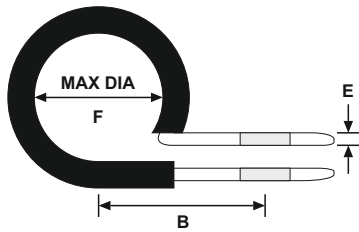

A range of rubber lined P-Clips designed to hold cables, hoses and pipes in place. The TPE rubber liner provides added cushioning and protection.

The P-Clips accommodate a wide range of diameters, allowing you to clamp down on the cable, hose or pipe and screw in to place.

## Technical Data

### Colour

Black

### Material

Stainless steel grade 304  
TPE black rubber

### Features

Fast and simple to install  
Excellent corrosion resistance  
Suitable for indoor and outdoor use  
Large size range

### Operating temperature

-30°C up to +60°C
